Mothers and babies, Grandmothers, toddlers and children always welcome at our meetings. Some groups sponsor special meetings for dads. Please contact your local leader for information.

La Leche League

La Leche League is an international, non-profit, non-sectarian organization dedicated to providing education, information, support, and encouragement to women who want to breastfeed. All women interested in breastfeeding are invited to attend our meetings or to call our Leaders for help.

Our League meetings offer a unique Opportunity for you to learn more about the natural way to nurturing your baby. La Leche League Leaders, experienced nursing mothers, are well prepared to answer your questions. Firsthand accounts about breastfeeding and practical mothering tips are readily shared at the meetings. The group provides the womanly support that is so crucial to the nursing mother. Of course, babies are always welcome at LLL functions.

La Leche League Leaders are experienced mothers, who are accredited By La Leche League International to help mothers and mothers-to-be with all aspects of breastfeeding. You can call any of the Leaders listed in this pamphlet between meeting times for information or help.
